2. The minutes of the 6 June meeting and the agenda for our next meeting are attached. The next meeting will be at 1000 hours on 19 July at the CIA Headquarters, Room 7D32. Please be prepared then to advise on your tentative attendance requirements for the September Seminar.

3. As a separate matter, it is a pleasure to announce that one of our members is leaving the Personnel Security Subcommittee for bigger things. Vaughn Holcombe will become the Treasury member of the SECOM beginning in August. I see no precedent in our archives on how we should handle such a matter so we'll have to look into that at the meeting too.
